

We Need Your Help

Calling All Parent Volunteers!

Our school thrives with the support of our amazing community, and we need your help to make it even better for our children. We're inviting parents to join us in a few key areas where your time and skills can make a big difference!

Areas We Need Help:

Library Assistance: Help us keep the library organised and foster a love of reading.

Listening to Readers: Spend time listening to children read and help boost their confidence.

School Nature Garden: Get your hands dirty with us and help maintain our school nature garden.

How You Can Help:

We're creating a **list of volunteers** who would be willing to support teachers and staff by offering time in one or more of these areas. Your involvement—no matter how big or small—would be a tremendous help in making our school the best it can be for our children.

Please **let us know your availability** and areas of interest so we can organise our efforts effectively. Whether you can spare an hour a week or once a month, we would love to work closely with you to enhance our school community.

Sometimes, there will be a call-out for people with particular skills to help out in school. At other times of the year we may also ask for help with ad-hoc activities such as cooking, Year 6 careers week, cycling or sharing stories/insights from other countries, cultures or historical past experiences.

Contact us today to sign up!

Please contact the school office on 01332 512732, visit the office in person or email admin@wrenpark.derby.sch.uk to confirm your interest

Thank you for your support and considering this opportunity to be involved in your child's school life!
