

In the past, we have worked closely with Derby Heights Care Home, our children have visited to sing Christmas carols and take part in Derby County FC events. We are also very honoured that their café has been named the "Wren's Café". We have recently connected with Derby Heights over the past few weeks to build a stronger partnership.

Through this partnership, we hope children become actively engaged in charitable events to develop their understanding of charity and to see the positive impact they can have on the lives of others, as well as the benefits of giving their time can have on others.

The partnership consists of visiting Derby Heights Care Home once a week to take part in enrichment activities with the residents.
