

Can you donate to our school gardening projects?

We are looking for

Plants (flowers/herbs)

Compost

Particularly ** Garden tools **

That our children can use to create their own gardening projects
(we are very short on these).

They need to be good, working quality tools as our children will
be using them.

Tools required

Small shovels, spades, forks, rakes, trowel, gloves, watering can,
secateurs, brooms, small garden hand tools

Please bring in your donations to our reception or email
admin@wrenpark.derby.sch.uk if you have any questions.

Thank you for you support
